**STUDENT AGENDA
2017-2018**

St. Benedict Prayer

*Gracious and Holy Father,
Grant us the intellect to understand you,
Reason to discern you, diligence to seek you,
Wisdom to find you, a spirit to know you,
A heart to meditate on you.
May our ears hear you, may our eyes behold you,
And may our tongues proclaim you.
Give us the grace that our way of life may be pleasing to you
That we may have the patience to wait for you
And the perseverance to look for you.
Grant us a perfect end – your holy presence,
A blessed resurrection and life everlasting
We ask this through Jesus Christ our Lord. Amen.*

VISION STATEMENT

At St. Benedict Catholic Secondary School, our vision is to build a solid foundation of excellence: spiritual, emotional, intellectual, physical, and social, which will cultivate the growth of our students. We believe that to instill the capacity and motivation for lifelong learning, we must encourage each person, through a gradual process based upon individual growth and development, to accept responsibility for his or her own learning. This may be accomplished if we help the individual acquire the values, knowledge, and skills necessary to succeed in a more complex, interconnected world. The curriculum at St. Benedict will provide the individual with the perspective necessary to understand his/her relationship to God, community, country, and world, and how he or she can shape his/her own future.

MISSION STATEMENT

St. Benedict Catholic Secondary School provides a positive learning environment that will encourage academic excellence, creativity, and intellectual curiosity in harmony with each individual's abilities and interests. We are committed to providing a Christian environment in which our students develop a sense of self-worth and self-discipline essential for personal growth. This commitment, involving all members of the St. Benedict community, recognizes that all students must be allowed to develop individual abilities to their fullest potential.

At St. Benedict you can expect:

- A safe learning environment
- Academic excellence
- Programs and services of the highest quality
- A community modeled on Christ's teachings
- A Catholic tradition based on gospel values
- A caring, innovative, and involved staff
- To be treated as an individual

- To be treated fairly

In addition to these values, students at St. Benedict will embody the following Ontario Catholic School Graduate Expectations:

- A discerning believer formed in the Catholic Faith

ATTENDANCE

Regular attendance is one of the most important factors in a student's academic success, social development, and spiritual growth. The administration and staff at St. Benedict are committed to the safety and security of our students at all times. Therefore, we have a stringent attendance policy and procedure in place. We urge parents and guardians to cooperate and support us in this endeavor.

Attendance is taken in each period during the school day. Students are expected to be punctual and attend all classes listed on their timetable. Students are also required to attend all masses, assemblies and special functions held during the year.

Procedures for Absent Students

Parents or guardians are asked to contact the school at 705-523-9235 as soon as possible to let us know that their son or daughter will be absent. If a student is absent and a phone call from the parent or guardian is not made to the school, the parent or guardian will be contacted. If the school has not heard from the parent or guardian on the day the student is absent, the student is required to return with a note from the parent or guardian. Students are to give notes to the office before Period 1. All notes are kept on file.

Procedures for Students Who Are Late

Lateness can interfere with classroom instruction. Students should be on time for classes, and special events. Recurring lateness will be addressed by administration and parents.

There will be a bell to signal the end of class and one to start the next. Students are expected to be in their classroom by this second bell.

LEAVING DURING THE SCHOOL DAY

Appointments

If a student is required to leave school during the day (e.g. doctor's appointment), the student is to go to the office before Period 1 and present a note from his or her parents or guardian explaining the reason for leaving early. The student will be issued an "excused slip" that he/she will present to his/her teacher. If the student does not present a note from his/her parent or guardian, the student must attempt to contact them at work or at home before going to class. When the student returns to school, he or she must sign in at the office before going to class. Students are not permitted to leave school without permission. Leaving the school without parent consent is considered truancy and will be addressed by administration.

Illness

A student who becomes ill during the school day is to report to the office. If the student is too ill to remain at school, the parent or guardian will be contacted and arrangements will be made for the student to leave.

Sign In/Sign Out Privileges

Students who are 18 years of age may apply for Sign In/Sign Out Privileges. Approval will be given to a student based on their attendance and discipline record. These privileges are only for legitimate reasons such as illness or medical appointments.

Leaving School Property

Grade 7 to 10 students, regardless of their age, are not permitted to leave school property. Senior students in grades 11 and 12 may leave school property at lunch time or during their study period. Students who wish to leave the school during their study periods are required to have a sign in/sign out permission form signed by their parents or guardians.

CATHOLIC EDUCATION AND PASTORAL CARE

Catholic education views human life as an integration of body, mind, and spirit. Rooted in the vision, Catholic education fosters the search for knowledge as a lifelong spiritual and academic quest. The expectations of catholic school graduates, therefore, are described not only in terms of knowledge and skills, but also in terms of values, attitude, and actions. As a Catholic Community, St. Benedict is dedicated to its students in every aspect of their lives. The Chaplaincy Lead provides pastoral care to the St. Benedict community. The Chaplaincy Lead's office is located in the office.

Celebration of Sacraments

Celebrations of the Eucharist are available to all students and staff. School liturgies are celebrated at significant points during the academic year.

Chapel

The chapel is located at the main entrance of the school. Mass is celebrated in the chapel for small groups and individual classes. The chapel is also open to students and staff to use as a quiet area to reflect and pray.

Religious Studies

Religious Education is not meant to be found in the religion class alone. Our Catholic values permeate the school and touch the students in all their classes. Each subject is taught with these values in mind. Liturgical celebrations, retreats, and community service are all integral to life at St. Benedict. Religion courses are offered for students in grades 7 to 12.

ASSESSMENT AND EVALUATION

Assessment is the process of gathering information from a variety of sources including assignments, demonstrations, projects, performances, and tests that accurately reflect how well students are achieving the curriculum expectations. Evaluation is the process of judging the quality of a student's work on the basis of established achievement criteria and assigning a value to represent that quality.

Late Assignment

If a summative assignment piece is not submitted on the due date, the teacher in conference with the student will determine the appropriate actions/next steps or consequences needed to determine a grade reflective of student achievement.

Academic Honesty

Academic honesty is a fundamental cornerstone of student learning. Breaches of academic honesty are intentional attempts to gain credit for work that is not the student's own. All breaches of academic honesty shall be reported to the school administration and a plan of action will be implemented.

LIBRARY

The Learning Commons is open between 8:00 a.m. and 2:30 p.m. Books are available to borrow for 21 days. Laptops and iPads can be signed out for the day.

GETTING CONNECTED PROGRAM

Community involvement activities may take place in a variety of settings: not-for-profit organizations, public sector institutions including hospitals, and informal settings. Students may not fulfill the requirement through activities counted toward a credit (cooperative education and work experience for example), through paid work, or by assuming duties normally performed by a paid employee.

The requirement is to be completed outside normal instructional hours – that is, during student designated lunch hours, after school, on weekends, or during school holidays. Students are advised to consult the Sudbury Catholic District School Board Community Involvement Policy Guidelines.

ACTIVITY FEE

A student activity fee of \$40.00 will be collected during the first week of September. This fee is used to subsidize student activities during the course of the school year, including a student card, lock, agenda, student activities sponsored by the Students' Council and Athletic Council, and various other events held during the year. All students have the responsibility to foster a safe classroom environment. Horseplay and rough housing are unacceptable and will be brought to the attention of the administration.

Casual Dress Days (Dress Down)

From time to time, the administration will designate certain days as Casual Dress Days. Proper student behavior and appropriateness of dress, consistent with the philosophy of our school, is expected on these days. On "Bear Wear" days, spirit clothing is to be worn with the school uniform.

Extra-Curricular Expectations

At St. Benedict, we offer a vibrant extra-curricular program. Our athletes and club members tend to lead our school in spirit, character, and attitude. A student may be withdrawn from an extra-curricular program if the student experiences academic difficulty, or poor classroom attendance, at the discretion of the administration, until significant improvement occurs.

Student Council

The Student Council of St. Benedict consists of an elected president and four other cabinet members, two staff moderators, and social conveners from each grade level. Social conveners express the opinions and safeguard the interests of their respective classmates at Student Council meetings.

CODE OF CONDUCT

St. Benedict is a caring Catholic community that fosters a positive school climate so that students learn to become self-directed, responsible life-long learners. Appropriate student behavior and early on-going intervention, along with preventative education is integral to ensuring the safety of our students.

The Code of Conduct is enforced through a progressive discipline program which supports bullying prevention, character education, student leadership and community partnerships.

Students at St. Benedict are expected to put forth their best effort at all times and to conduct themselves in an appropriate manner, as articulated in the motto:
With God as guide, we seek the best.

To achieve this, students have certain rights and responsibilities which include, but are not limited to, the right to be treated with respect and dignity. In return, they must demonstrate respect for themselves and for others and the responsibilities of citizenship through acceptable behavior. Respect and responsibility are demonstrated when a student:

1. comes to school prepared, on time and ready to learn.
2. shows respect for themselves and for others.
3. refrains from bringing anything to school that may compromise the safety of others.
4. follows the established rules and takes responsibility for his or her own action.

Definition of Bullying Education Act Policy/Program Memorandum No. 144

VTRA (Violent Threat Risk Assessment)

Fair Notice to Parents/Guardians

The Sudbury Catholic District School Board aims to maintain a positive and safe environment in their schools for all students, staff, parents and visitors. Any kind of violence or harassment is taken very seriously. As a result, when a student's behaviour poses a serious threat to his or her safety, or the safety of others, the Board reserves the right to activate a Violent Threat Risk Assessment (VTRA).

When a VTRA is activated, parents/guardians will be notified. If a concern for safety still exists, and parents/guardians cannot be reached, or if they choose not to provide consent to share information, the threat assessment process will still proceed. In sharing personal information with community partners and agencies, each individual's right to privacy will be balanced with the need to ensure the safety of all. Student safety is our first priority.

Please refer to the Board's website for more information:

GUIDANCE AND GRADUATION REQUIREMENTS

Guidance Department

The Guidance Department at St. Benedict focuses on student orientation, education, and career planning, linkages with post-secondary institutions, as well as apprenticeship and workplace initiatives. The monitoring of student progress and the development of special programs such as peer tutoring and remediation programs for at-risk students are also key components. Individual counselling is available to students and parents who may have concerns about social, emotional, and educational development. Referrals to school resource personnel as well as community and social services are facilitated by a guidance counselor.

Graduation requirements

To obtain the Ontario Secondary School Diploma, students need 18 compulsory credits which include the following:

Course Changes

Course changes are to be requested within three days of the start of each semester. Once students have selected courses, the timetable will not be modified.

Student Course Load

Students must have a full timetable each semester. Students in Grade 12 who have achieved 24 credits by that September may be considered for one study period.

Study Periods

Grade 12 students who qualify for a study period are to remain in the Cafeteria or Library during this time as this will help minimize classroom disruptions.

Students are urged to use their study period time wisely. Students on a study period are to attend assemblies, masses, and all special functions. If a study period occurs during Period 1, students are expected to report to their assigned Period 2 class punctually.

Examinations

Most courses require students to complete a final evaluation in the form of an examination. Our formal examination period takes place at the end of each semester and is scheduled over a period of 5 days. Normally, thirty percent of the course grade will be based on the exam mark. All students are required to write final exams. The only valid reason for missing an exam is serious illness supported by a physician's note. Taking a vacation, early summer job placements, etc., are not considered valid reasons.
