Religious Expectations Agreement Form For Sudbury Catholic Elementary Schools

Thank you for choosing to send your son/daughter to Sudbury Catholic District School Board. We are pleased to welcome you to join us in living our mission:

***To nurture and develop the mind, body and spirit of every student
within our Catholic learning community.***

Rooted in this mission, Catholic education fosters the search for knowledge as a lifelong spiritual and academic quest. The expectations of Catholic school graduate are described not only in terms of knowledge and skills, but in terms of values, attitudes, and actions. The Catholic School Graduate is therefore, expected to be; a discerning believer; an effective communicator; a reflective, creative and holistic thinker; a self-directed, responsible, lifelong learner; a collaborative contributor; a caring family member; and a responsible citizen.

The historical mandate of the Catholic school system in Ontario is to model the entire syllabus of the school on the life and teaching of Jesus. As such, the Sudbury Catholic District School Board has expectations of all students admitted.

Our religious expectations are as follows:

- 1 The Catholic District School Boards of Ontario follow approved provincial curriculum. Given the distinctiveness of Catholic schools, the Government of Ontario recognizes parallel curricula for our system based on subject area. All courses in all subject areas, in a Catholic school, are taught from a Catholic perspective. We are doing this by using our grade level "Essential Questions." When we ask these questions we are infusing our distinctive Catholic teachings while integrating faith and culture in all subject areas.

Essential Question: Where is God?
Who is God?
How are we members of God's family?
Who is the Holy Spirit?
What does Jesus ask of us?
How do we live in community?
How do we live in accordance with God's will?
What is our story
How are we Church in the world?

- 2 All students will participate in the prayer and in the liturgical life of the school. Catholic students are expected to participate fully as mandated by their sacramental Baptism. Non-Catholic students are expected to participate to the extent that they can. It is not the intention of the Sudbury Catholic District School Board to proselytize, however, for supervision, safety and community reasons, the entire school participates in all religious events that occur during the school year. At a minimum, non-Catholic students will attend and maintain respectful silence at all religious observances. All students are encouraged to get involved.
3. Students requesting accommodations must present written notice from their parents/guardians specifying their accommodation needs relating to religious observances, including holy days on which they will be absent from school. This notice should be made in advance (preferably at the beginning of each school year) to ensure that scheduling of major evaluations, such as tests, assignments or examinations, takes the religious observances into consideration.

We hope that your experiences in Sudbury Catholic District School Board will be rewarding.

The Sudbury Catholic supports freedom of religion and an individual's rights to manifest his/her religious beliefs and observances. The right to freedom of religion, however, is not absolute and religious accommodation in the Board is carried out in the larger context of the Catholic educational system and denominational rights of Catholic schools.

The Board recognizes that any form of social or cultural discrimination is incompatible with Catholic moral principles and is in violation of the Ontario Human Rights Code. The Board recognizes that the school system gives pre-eminence to the tenets of the Catholic faith, congruent with the protection afforded in the *Ontario Human Rights Code, the Constitution Act, 1982* confirmed in the *Canadian Charter of Rights and Freedoms*.

The Board and its staff are committed to the elimination of discrimination as outlined in Ontario's Equity and Inclusive Education Strategy and the Ontario Ministry of Education Policy/Program Memorandum No. 119, in a manner which is consistent with the exercise of the Board's denominational rights under section 93 of the Constitution Act, 1982 as recognized at section 19 of the Ontario Human Rights Code.

The historical mandate of the Catholic school system in Ontario is to model the entire syllabus of the school on the life and teaching of Jesus. As such, the Sudbury Catholic District School Board has expectations of all students admitted.

Our religious expectations are as follows:

1. All students will enroll in a Religion course in each of the four years. All Religion courses are approved by the appropriate Catholic authority. The Government of Ontario recognizes that Religion credits count towards a secondary graduation diploma.
2. All students will participate in school retreats offered by the secondary school. The retreat normally takes place during the school day. The school chaplain organizes the annual retreat based on spiritual themes appropriate for adolescents.

3. All students will participate in the prayer and in the liturgical life of the school. Catholic students are expected to participate fully as mandated by their sacramental Baptism. Non-Catholic students are expected to participate to the extent that they can.
