Additional Comments:

Volunteer Screening: The role of volunteering with the Sudbury Catholic District School Board generally involves contact with students to varying degrees, and as well, places volunteers in a position of trust and confidence with regard to information they may receive.

Note to Candidate: The Board's 'duty of care' for our students requires that we take reasonable steps to evaluate the suitability of prospective volunteers. We thank you for providing us with information in our volunteer screening process. Please note that if you are volunteering to coach or supervise overnight field trips or in situations where "direct and regular" contact occurs with students, a Vulnerable Sector Check, within the previous six months, is also required.
