

**Carousel Event
March 5, 2019
St. David School**

- 1. Title: Coding – The NEW language of creativity**
Presenter: Jillian Ospina
This hands-on carousel will involve exploring the tools and equipment used to introduce students to the basics of coding. This session will also include a discussion on why coding is an important skill for students and how educators are using coding to explore the link between creativity, problem solving and the development of math skills.
- 2. Title: How to build resiliency in your child**
Presenter: Sylvie Patenaud-Renaud (Public Health Sudbury & Districts)
In this session you will learn about building resiliency which includes information about a new program called "Bounce Back and Thrive".
- 3. Title: Cyber Safety**
Presenter: Detective Sergeant Blair Ramsey, Greater Sudbury Police Service
In this session you will learn strategies on how to keep your children safe in an online environment.
- 4. Title: Vaping 101**
Presenter: Brenna Eastick (Public Health Sudbury & Districts)
Come and learn about vaping.
- 5. Title: Special Education Services**
Presenter: Christina Raso, Special Education Consultant
Participants will be given an overview of services and supports in Special Education offered at Sudbury Catholic. Information on the IEP and pertinent links will also be shared.
- 6. Title: Human Trafficking**
Presenter: Nicole St-Jean, Sudbury & Area Victim Services
This carousel will focus on the issues surrounding human trafficking and how to protect our youth.
- 7. Title: Indigenous Education**
Presenter: Joel Agowissa, Indigenous Support Worker
In the session, participants will learn about the programs offered to students through the White Buffalo Circles. Information on our Indigenous programs will be available.
- 8. Title: Coping with Anxiety**
Presenter: Melissa Anderson, Mental Health Lead
Effective strategies for students and parents in coping and dealing with anxiety will be shared. Information on school programming will also be available.
- 9. Title: Speech and Language Services**
Presenters: Maxine Belanger, Speech and Language Pathologist and Catia Temelini, Communicative Disorders Assistant

This carousel will provide an overview of speech and language services available at Sudbury Catholic. Information for parents on how to help their children at home will also be included.

10. Title: Supporting Students with Autism

Presenter: Sabrina Grossi, Social Worker

Participants will receive an overview of supports available to students and families with autism. Pertinent information on ABA and other resources will also be shared.

11. Title: Supporting Mathematics learning

Presenter: Denise Filipovic, Curriculum Consultant

Math is everywhere, and you can help your children make connections between what they are learning in school and everyday experiences at home and in the community. **Math games** can be part of your regular day-to-day routine and they show that math is fun. Come and find out how.

12. Title: The Leader in Me

Presenter: Stephanie Vandruenen, Laura Stirrett, Adrianna MacNeil and Mauro Custinato

Based on the 7 Habits of Highly Effective People by Steven Covey, Holy Cross has been a "Leader in Me" school for the past 5 years. Students and administrators will explain the 7 Habits, how it works and will provide a practical guide for parents to use these habits at home.
