

Information Bulletin for Parents/Guardians March 31, 2021

We have been informed by Public Health Sudbury and Districts, that schools will continue to be closed for face-to-face learning **for the week of April 6, 2021**. As such, all elementary and secondary students will continue to engage in remote learning (unless otherwise advised) up to and including April 9, 2021. We will update parents and guardians as information becomes available.

We will continue to update families on our Board website. Thank you for your ongoing cooperation and partnership and for working together to help keep everyone safe. Should you have any questions please reach out to your school. Please note that our schools remain open and while staff may not be onsite, they will check phone messages on a regular basis.

Remember to follow the critical ongoing COVID-19 prevention measures:

- Sneeze and cough into your sleeve.
- Avoid touching your eyes, nose, or mouth.
- Stay home, [isolate](#), and seek testing if symptoms appear.
- Practice two-meter physical distancing.
