

Public Health Sudbury & Districts is pleased to collaborate with School Board and bus transportation consortium partners to offer dedicated youth and caregiver COVID-19 vaccination clinics during the weeks of June 14 and June 21. Youth must be at **least 12 years old on the date of vaccination**. These clinics are for first dose vaccine only; second doses will be scheduled starting August 22. Please read the information below and register as soon as possible for the vaccination clinic using the method described below.

There are three options for participating in these clinics.

Option 1: School block vaccination clinics (during the daytime).

School block vaccination clinics are available for students and caregivers for each school in Greater Sudbury, Sudbury East, LaCloche Foothills, and Manitoulin Island.

- Free bus transportation will be provided by the Sudbury Student Services Consortium. There will not be any supervision on the bus. School staff will be present at the clinic to welcome the students. They will provide student supervision at the clinics from bus drop-off to bus reloading. [Details about bus pick up and drop off times will be made available during the week of June 7th.](#)
- Youth and caregivers can also attend using personal or public transportation.
- Registration for all attendees at school block vaccination clinics is required by completing this [survey](#). Please complete this registration survey by 12:00 noon on **Wednesday June 9th**.
