In recognition of National AccessAbility Week and Red Shirt Day, write in the space above, what you pledge to do over the next year to improve accessibility and inclusion in your community. Then print the sheet and take a selfie/photo of yourself with your #RedShirtDay pledge/sign and post it on social media with the hashtags #RedShirtDay and #RedForAccessAbility. If you do not have access to a printer, you can simply write your Red Shirt Day pledge on any blank sheet of paper. Thank you for supporting National AccessAbility Week, Red Shirt Day, and your commitment to help make Canada a fully accessible and inclusive society for persons of all abilities.
