

Elementary PA Day Agenda

Date: November 28, 2025

Topic: Tackling Racism, School Resource Office Program and Student Achievement Planning

Location: Various Locations (School-Based)

Audience: All Education Staff

Length: Full Day

Presenter(s): Hannah Beach, Dr. Paul Nalli, Greater Sudbury Police Services, School Principals

Description:

Educators will participate in a Professional Activity (PA) Day focused on student well-being, equity, and achievement. The day will include a keynote by Hannah Beach, author of *Reclaiming Our Students*, exploring trauma-sensitive, relationship-centered approaches to supporting children's emotional health; a session by the Greater Sudbury Police Services on the School Resource Officer Program; and professional learning on Tackling Racism presented by Superintendent Dr. Paul Nalli. Educators will also engage in data-informed planning and collaborative inquiry to strengthen literacy, mathematics, and overall student success.

Secondary PA Day Agenda

Date: November 28, 2025

Topic: Tackling Racism, School Resource Office Program and Student Achievement Planning

Location: Various Locations (School-Based)

Audience: All Education Staff

Length: Full Day

Presenter(s): Dr. Paul Nalli, Greater Sudbury Police Services, School Principals

Description:

The day will feature a session by the Greater Sudbury Police Services on the School Resource Officer Program, professional learning on Tackling Racism presented by Superintendent Dr. Paul Nalli, and a session led by school principals on the Suicide Prevention Protocol. Educators will also engage in data-informed planning and collaborative inquiry to support overall student success.
