

# How to Access Your Online Course?

## Instructions for Students from **Other School Boards** in Ontario

**Step 1:** Log in to your school board's online learning platform.

This platform may be called Brightspace, D2L, VLE, or LMS — these names all refer to the same system.

**Step 2:** If you are not sure where to find your school board's online learning site, visit:

<https://www.d2l.com/k-12-ontario/>

Scroll down until you see the dark-coloured section, then look for your school board's name to find the correct link.

### Access Brightspace in the VLE and find your TELT contact

- 01 Select your school board from the list below
- 02 Using the URL provided, use your board username and password to easily access the VLE
- 03 After accessing Brightspace in the VLE, get started with [Ontario's VLE One-Minute Workflows](#)
- 04 Your TELT contact can assist you with questions you may have and support you in using the VLE
- 05 If you cannot find the name and/or email of your TELT Contact, please reach out to [k12ont@d2l.com](mailto:k12ont@d2l.com)

Si vous faites partie d'un conseil scolaire francophone, naviguez à <https://e-a-v.ca/connexion-eav>.

### Step 3: Username & Password

Use the username and password provided by your school.

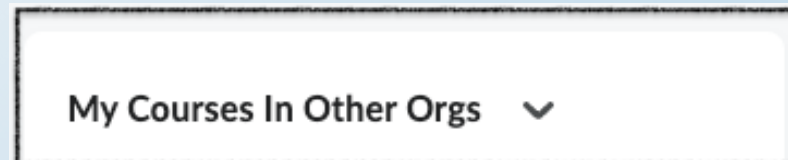

**Step 4:** If you do not remember your login information, ask for help from:

- your Guidance Counsellor, or
- your Student Success Teacher.

**Step 5:** After logging in, look on the main page of the platform. You may need to scroll down.

**Step 6:** Find the section titled **My Courses in Other Orgs.**

Your course will appear under this heading.

**Step 7:** If you do not see your course, contact your Guidance Counsellor or Student Success Teacher right away. They will help you resolve the issue.
