PA Day Agenda

Sudbury Catholic District School Board

Date: November 20, 2026

Topics: Faith Formation and Student Achievement Planning
Location: Various Locations (School & Parish Based)
Audience: All Education Staff
Length: Full-Day
Presenter: School Principals, Central Board Staff and Parish Priests

Description:

The Professional Activity Day will focus on strengthening Catholic identity and faith formation across Sudbury Catholic District School Board.
The day will begin with Mass at local parishes, followed by professional learning focused on the history and distinctiveness of Catholic education, the Ontario Catholic School Graduate Expectations, Catholic Social Teaching, and the intentional integration of Catholic virtues and values into teaching, learning, and everyday school experiences.

Staff will also be introduced to the Board's Three-Year Pastoral Plan, Living Faith in Today's World, which supports the implementation of the Multi-Year Strategic Plan priority of Living Catholic Identity.

During the afternoon, school-based professional learning will provide opportunities for staff to collaboratively identify priorities for their Annual School–Parish Pastoral Plans and explore practical ways to integrate a Catholic worldview into curriculum instruction, relationships, and daily practice.

The day will conclude with 30 minutes of Cyber Awareness training modules, supporting staff in strengthening their understanding of cybersecurity and safe digital practices.
